

**** Ultimate Europe Game 117 ** Ultimate Europe Game 117 ** Ultimate Europe Game 117 ****

Game 117 will be starting in November and will have a strict limit of one team per manager.

The Auction.

Starting from Friday the 16th of October we will be holding a two week auction so managers can bid to reserve the team of their choice for the game.

Any European team.

For any successful bid of at least the value of one Season Ticket (currently £55) we will add any professional European team to the game and then allocate that team to the most suitable League.

For example, Benfica could be added to Spain or Cork City to Scotland.

Starting budgets.

The starting budgets will be adjusted so that large clubs with the best squads will start heavily in debt. This could mean over £200M for a team like Barcelona.

Improved Trialists and Scouting.

Yes we have listened and these will both yeild better players.

Youth Players.

Some will be able to develop Versatility at the end of the season.

UE Points.

UE points will again be available for most clubs.
